Corporate Partners have a direct impact on youth and families in the foster care system across Massachusetts and Rhode Island

Thanks to generous partners like you, Communities for People (CFP) is able to help nearly 2,000 youth and families involved in the foster care system each year. **By teaming up with Communities for People, you are helping to provide a wide range impactful services to youth and families across Massachusetts and Rhode Island through community-based residential programs, foster care, outpatient services, managed care networks and adoption.**

Donations of any size add up to a big difference for our clients. From staffing to utility bills, we are always facing budget challenges, and our clients are feeling them too. Ultimately, we aim to provide youth and families with individualized support that will help each of them to fulfill their true potential – and hopefully get back to regular family life.

Donations and volunteer efforts from your company will have a real impact in your own town and beyond. We currently serve every zip code in Rhode Island and most within Greater Boston. You might not know it, but we could be helping your neighbor, employee, or customer right now.

As a corporate partner, your company will have a direct impact on the many youth and families CFP serves, as well as an opportunity to promote your company's values and build goodwill among employees and the public.

Ongoing Sponsorship Opportunities

Challenged with unstable family homes and circumstances beyond their control, youth in CFP programs are faced with many more obstacles than their peers. As we work to prepare youth in our care to thrive independently, your support can help make a difficult journey a little easier. Your generosity enables us to continue providing essential resources and services that pave the way for brighter futures. **Together, we can create a lasting impact and empower young individuals in our community. Select from the following options, mix and match, or consider making a general donation:**

Professional Attire

Help youth prepare for interviews and employment by providing funding for professional attire.

Education Supplies

From text books and laptops to vocational supplies, help youth overcome all of the hurdles that stand between them and their education.

Relaxing Activities

Youth in our care needs ways to unwind, just like you. Provide art supplies, books, puzzles, weighted blankets and more to aid much-needed relaxation.

Social Events

The youth we serve deserve opportunities to socialize, just like everyone else! Help host social events and field trips to give them a chance to spend time connecting and enjoying new experiences.

Transportation

What do public transportation, ride shares, and gas all have in common? They use up a lot of our youth's budgets! Help get youth to their jobs, school, and appointments by covering these costs.

Driver's Ed

Who helped you practice driving? You might be remembering circling an empty lot with a parent - not an option for most of the youth in our care. Help fund driving instructors and get them one step closer to independence.

Tee Up for Foster Care

Topgolf Sponsorship Opportunities

Celebrate National Foster Care Awareness Month this May with Communities for People! We invite you to come together and make a difference for the youth and families served by CFP across Massachusetts and Rhode Island.

Get ready for an unforgettable evening at Topgolf (Canton), where golfers of all skill levels can partake in our golf fundraiser. With the comfort of cooled golf bays with gps enabled driving ranges, plush seats, a delicious buffet and full bar access, this event promises to be a memorable experience for all attendees. Mark your calendars for Thursday, May 15th from 6-9PM, and join us in raising funds and awareness for foster care in our community.

Large TV's in every bay provide plenty of promotional opportunities and your brand will be featured on social media, in our e-newsletter, and you can include branded swag in our gift bags. This is your chance to Tee Up for Foster Care and promote a positive corporate image, increase community engagement, and engage in valuable networking– all while impacting the well-being of youth in the foster care system. **Let's come together this National Foster Care Awareness Month to create a brighter future for the youth in need. Sponsors must submit a high-resolution file of their logo and a full-color ad by Monday, April 7th to ssadooghi@c4p.org to be add on printed items such as programs and signage.**

Youth Summit Sponsorship Opportunities

We are proud to support the SPEAK Youth Advisory Board as they work to plan and execute the 2025 Youth Summit hosted by Youth Development Services. SPEAK is a state-wide advisory board made up of youth 16 – 24 years old who have lived experience in the Rhode Island foster care system. While the majority of their work is focused on providing feedback to impact change within the system, participants also gain experience in advocacy, public speaking and other skills they can use indefinitely.

Planning the summit allows youth to decide what discussion topics would be most impactful among their peers, and gain organizational and leadership skills.

Over 100 youth with experience in the foster care system are expected to attend this year's Youth Summit at Rhode Island College on Monday, June 30th. The summit will include a variety of workshops as well as the opportunity for youth to learn from each other and access a varied Resource Fair, and end with a graduation celebration for any youth who graduated in 2025.

	Summit Title Sponsor \$10,000	Resource Fair Title Sponsor \$7,500	Lunch Sponsor \$2,500	Breakfast Sponsor \$1,250	Supporting Sponsor \$500

All sponsors will be acknowledged on social media and in our e-newsletter, and will have the opportunity to include branded SWAG in the attendee gift bags. Sponsors must submit a high-resolution version of their logo and completed full-color ad by Friday, May 30th to development@c4p.org to be included on printed items including programs and signage

Volunteer Opportunities

Give your employees a chance to give back, bond and support their community by volunteering with CFP! We are looking for volunteer groups to help beatify our residential programs throughout May in honor of National Foster Care Awareness Month. This is a great opportunity for organizations to get involved and engage in a team building activity, Here are a few other options that might also interest your team, and we are always happy to discuss other volunteer opportunities that are not listed below:

Teach a Life Skill

From financial literacy to meal prep and everything in between, our youth would love to learn from you and your colleagues! Classes can be one-time or a series, in-person or virtual.

Host a Drive

Collect much-needed items like as new hygiene supplies, winterwear, toys, arts and crafts, games, or gift cards.

Scan for
our Wishlist

Help Create a Home

Our residential programs see a lot of wear and tear, so we could always help with clean up, beautification, and setting up rooms for new occupants. Your help will ensure that the space feels more like home.

Host an Activity

Introduce youth to new hobbies and experiences by hosting an activity, either at one of our programs or at a location of your choosing!

Welcome Baskets

Ease the burden of frequent moves and create a welcoming environment by putting together welcome baskets for youth moving into a new foster home, residential program, or independent living.

Meal Delivery

Make someone's day a little easier by cooking with your colleagues or treating the youth in our care to delivery from a favorite restaurant. Good food can't fix everything, but it can make a hard day a little easier.

We're also always looking for individuals who are interested in volunteering with CFP as Impact Mentors or Vocational Supporters. Mentors are matched with youth who are 16 - 21 years old and in the foster care system to encourage growth, share life skills and act as a positive and reliable adult in their life. Vocational volunteers agree to meet with youth who are interested in their career path or learning more about a specific field of work.

***on-sight volunteer activities have a suggested donation to help cover the cost of the activity**

Host a Lunch and Learn

Help your colleagues learn about the important work of CFP and what your company is doing to help further our mission by hosting a lunch and learn! We're happy to chat about or work in-person or virtually, while your working on a volunteer activity or just taking a break.
